

Potential Topics for ITP Prioritization

1. Spreadsheet topic # 5- Public Education: How do water conservation advertising campaigns compare with other resources campaigns, air, energy etc? What recommendations could be made more to better educate the public on water?
2. Spreadsheet topic #4- Water Measurement: CUWCC will have an AMI in September. The ITP could follow up with discussion of possible recommendations.
3. Spreadsheet topic #8- Large Landscape:
 - Idea A- Following on CUWCC's release of Landscape Symposium Report, we can discuss steps that could be taken to support the conversion of turf to lower water use landscapes
 - Idea B- Landscape Ordinances- What steps can be recommended to make them more effective?
